## DON'T JUST TAKE OUR WORD FOR IT...

"Dance It Up is more than just a dance studio. They are a community and family that we are grateful to be a part of. The staff goes above and beyond to make every dancer (and parent) feel loved, valued and respected. My daughter needed a few accommodations in her class to make it successful and her instructor was more than willing to do whatever was needed to make it a positive experience. If you are on the fence about this studio, try a trial class...you won't be disappointed!"
